Further information

About me

Hi there! I'm Optimistic, creative, innovative, and enthusiastic. I even believe in what seems impossible or unattainable. Passionate traveler. I love to make the world better. I have a solid experience as a front-end developer. And I enjoy my job. Frontend Developer with a few years of experience leveraging JavaScript to build responsive websites, and interactive features that drive business growth and improve UX. I'm a developer from Ukraine, But currently I'm in Poland, so don't worry about the blackout.
